

Nicola Huelin

BUSINESS MENTOR, SPEAKER & AUTHOR

On a mission to empower one million mums in business

Nicola Huelin is a multi-award winning, certified business coach and mentor on a mission to empower one million mums in business. Founder of Mpower for mums in business and the Mpower National Business Awards, international speaker and author of The Invisible Revolution (listed in the Independent's 10 Best Business Books Written By Women), Nicola has over 20 years' experience in combining business success with family life and has connected, coached and mentored 1000's of women across the UK.

Nicola's work has been featured on international TV, and has received multiple awards. Nicola is regularly asked to share her business expertise and her inspirational personal story to audiences around the world including a TEDx Women talk on The Invisible Revolution and how mums in business are changing the world.
